

CHELSEA CAPSULE

The Quiet Power of the Capsule Form

CHELSEA CAPSULE feels calm and simple, with a soft elongated shape and gently rounded edges. Its form is clean and balanced, like a small glass object quietly floating in the air.

The glass catches surrounding light with soft reflections, showing gentle depth and smooth craftsmanship. Suspended in space, CHELSEA CAPSULE feels refined, peaceful, and timeless — a glass form shaped by clarity, balance, and quiet beauty.
