

AVON RAIN

Mixing Natural Shape with Architectural Form

AVON RAIN feels like a soft raindrop turned into glass. Its long shape flows naturally downward, while the fine grooves give it rhythm, direction, and a clean architectural detail.

The glass feels gentle but structured, where smooth curves meet precise lines. Suspended in space, AVON RAIN feels calm, elegant, and expressive — a simple glass form shaped by nature, balance, and quiet design.

Color Harmony

GLASS COLOR

- Amber to Clear Color
- Green to Clear Color
- Purple to Clear Color
- Blue to Clear Color
- Smoke to Clear Color

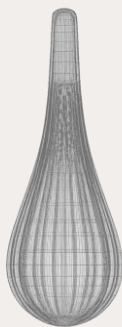

Model Details

TECHNICAL SPECIFICATIONS

- Model: ARTX0127
- Dimension: D60 x H160mm
- Dimension: D45 x H120mm
- Glass Thickness: 2mm
- Net Weight: $150 \pm 10\%$ - $120 \pm 10\%$
- Packaging size: 600 x 400 x 300mm
- Material: hand-formed glass + meta
- Suspension: Adjustable hanging wire system
- Light Source: Not Have Integrated LED
