Windsor

The Silent Force That Shapes the Plane

WINDSOR is inspired by the moment a flat surface begins to bend under gentle force. Its form starts as a simple plane, then softens into smooth curves, creating a quiet sense of movement and tension.

The glass surface appears stretched and shaped by pressure, with light flowing across it to reveal subtle depth and reflection. Suspended in space, WINDSOR transforms a flat geometry into a sculptural form — where surface, force, and light come together in balance.

Model Details

TECHNICAL SPECIFICATIONS

- Model: ARTX0137
- Dimension: L197*W92mm
- Glass Thickness: 5.5mm
- Net Weight: 250g
- Packaging size: 425 x 335 x 140mm
- Material: Formed glass
- Suspension: Adjustable hanging wire
- Light Source: Not Have Integrated LED
